

NEWSLETTER NOVEMBER 2017

Welcome Fall

Wow, we just went from 80's in the daytime & 70's at night, to 70's in the daytime & 40's at night!!! I guess that is why they call it FALL. With the changing seasons we also enjoy changing lifestyles. I am looking forward to another busy season in the Activities Department.

This will be my 3rd season working as Activities Director here within the Sunshine Village Community, I still LOVE what I do and will again try to perform to your standards. With this said, please keep in mind that **YOU** are the ones that need to give your ideas and it is **YOU** that needs to get involved and Volunteer to Host, Work, and Organize different activities. We need folks to teach crafts, computer classes, dinners, breakfasts, dances, exercises, water aerobics, and other fun filled events. I will be here to work with you and assist in any way I can. If you have any items for the Newsletter, or if you want an Event Scheduled on the Calendar, Please make sure you submit the information to me no later than the 20th of the Month to ensure it gets in the next month's plans. You may email your requests to me at Hoagsfarm@aol.com or you may call me at 607-621-8988. If we all work together we WILL have a SUPER SEASON.

Lori Hoag- Activities Director

REMEMBER, Bring your own table settings to ALL meals.....

From the Facilitator: **Anita Michener**

Welcome Home, Everyone! I certainly hope you all had a wonderful Summer Season. Fall is my favorite time of year-although it is much different in Florida that it was up north. I miss the fall foliage, but I don't miss raking leaves, but I guess we have to take the bad with the good. Here in Florida, that means with all of the sunshine, we also may get a hurricane. Irma left us a big mess, but thanks to the teamwork of our work crew and some amazing residents, we were able to get it mostly cleaned up before you arrived. A BIG thank you to everyone who pitched in and helped clean up, repair and remove. We have great people in our Sunshine Village Family. We have some awesome changes coming up that I think you will be excited about. The first of which was the facelift in the office. It isn't completely finished yet as we are going to add a few personal touches, but I think it is a great improvement. I may find myself wanting to spend more time in there (haha, just kidding).

Tim Wright is our new Partner/Operator and is living in the Manager's House. We will be formally introducing Tim to you all later in the month, but in the meantime, please respect his privacy in his home and direct all inquiries, issues, challenges and complaints to the office as always. Our Fall/Winter Season is looking

like a very busy, but exciting season. Please remember that we are here to serve you, so if you have anything that would make your time here more special, please don't hesitate to let me know. While I can't promise you will all get your wishes, I can promise that we will consider each one. We are listening, and we are happy that you are here. Welcome Home!

3rd Annual Christmas Angels Program

Our Christmas Angel Program has started. We have made a lot of children's wishes come true the last 2 years, let's go for 3.

Our objective is to provide needy and homeless children with one new toy wrapped for Christmas. We will take sizes also for anyone who wants to buy clothing.

Anyone that would rather donate Gift Cards (Walmart, Dollar General or Family Dollar) instead of doing the shopping, we will purchase and wrap the gifts for you.

Volunteers and suggestions are very welcome. To obtain an Angel or a Family, please contact the following Volunteers: Elva Shadle, Candy Senters, Diane Ondersma, or Cheryl Washburn. We will also have a smaller tree located in the Hall with Angels for you to "adopt".

Thank you for caring,
Elva

There is still a HUGE need in the Immediate Webster area to assist the needy/homeless families.

I am still collecting any new or used items for those in need. Clothing, household items, furniture, blankets, and coats are some of the items we are always in need of. I will pick-up from you, or you may drop off items to me at (RV 27).

Thank you for your continued help,
-Elva Shadle-
