Happy New Year!

Welcome 2019: The Activities Department would like to wish each and everyone a VERY Happy New Year. We are excited about all the events and programs we have planned for the next few months while you are all here with us. I would also personally like to thank all our community members and guests that have and continue to step up and volunteer to make all our events such a huge success. You are all greatly appreciated and needed.

Lori Hoag- Director

Lot Change Requests: Please remember that, while we encourage beautification and upgrades to your lot and home, **ALL** proposed changes **must be** in writing and preapproved. **This includes any and all changes to your home site.** Please call (518) 744-8419) or see Al Huestis, Project Manager (MH13) **Before** beginning **ANY** project.

Reminders: If you have overnight guest(s) staying with you, they must be registered on the clipboard outside the office. This is for emergency purposes. You may have guests stay with you for two consecutive weeks at no charge, after the first two weeks, the \$5/per day fee applies. **Trash:** For safety reasons, when putting trash curbside by 9:00 a.m. on Monday and Thursday, please do not use the large garbage bags, unless they are very light. The workers will not pick up any trash that is not bagged (including lawn debris). Trash pickup curbside is a courtesy we do for you, not a requirement. Please be considerate. **Please, No Furniture, No Appliances, No Construction Debris, ONLY Household Trash is to be placed in the Dumpsters. If you have other than Household Trash,**

PLEASE call the office at 352-793-8626 and leave a message, we will get back to you and advise you what to do with your items. Please do not place ANYTHING outside of dumpsters.

While the New Year brings new beginnings, late 2018 left with the passing of two of our community members. On November 14, 2018, the passing of Leroy "Ike" Smith. Ike & Judy sold their home here in Sunshine Village in late spring of 2018 to live permanently in their Indiana home.

December 18, 2018, Ed Hoag passed away, Ed was the husband of Lori, our Activities Director, and he will be missed by many.

The 4th Annual Christmas Angel Program has been another super success, thanks to ALL. Our neighbors at Webster Travel Park were so excited to help this year and took **65** Angels and filled the children's dreams and wishes. Sunshine Village residents helped with **100** Angels with great Christmas wishes. A big Thank you to the team of wrappers for a fun day and 22 volunteers who joined at the mission to pass out gifts, cook 300 hot dogs, and pass out candy canes. We also had a lot of support from Rob Smith, Merchants of Webster, and a 4-H Club. I feel very blessed to have so many people who want the Angels to have a great Christmas.

Thank You, Elva
