

# MAY 2020

# COMMUNITY NEWSLETTER

**COVID-19** Continues to plague our world, impact our lives, and change our "norms".

As inconvenient as it has been to some of our residents/guests to have to stay at Sunshine Village Resort longer than usual, it has brought out the BEST in EVERYONE.

While maintaining the Social Distancing Guidelines, takeout or delivery only options from the Snack Bar, No More than 10 at gatherings, Repeatedly Sanitizing the Pool and All Common Areas of the Resort, and No non-resident visitors permitted, life here has been quite inspiring.

We have had volunteers making masks to keep those that must travel outside our Resort safe. More neighbors being NEIGHBORS, asking if anyone needs anything while they are going out anyways, preparing and delivering meals to those that MUST stay in, Everyone cooperating with daily updates and changes to safety precautions as recommended by the CDC and local governments. As difficult and stressful that this uncertainty has been, and continues forward, our community can be PROUD.

Moving forward, we MUST ALL continue to follow the guidelines that have been put in place at Sunshine Village Resort, for the sake of EVERYONE'S health and wellbeing.

1. **No Outside Visitors Permitted**
2. **Do NOT go to Outside Resort Residences to Visit**
3. **You MUST Utilize the Hand Sanitation Station inside the Front Door of Sunrise Hall**
4. **NO More than 10 Persons at one time in ANY Common Area of our Resort, including the Pool Area**
5. **Practice Social Distancing, 6 ft. between you and others (Especially when it is necessary for you to go to public places)**
6. **Wear a Mask when in Public Places**

**We will continue to keep you updated and informed as our policies and procedures change in this situation**

## Getting a New Look

As we continue to improve the aesthetics of Sunshine Village Resort, ALL Permanent RV's will now have Vinyl Skirting, replacing the current Lattice Skirting.

This New Look takes place by the end of May 2020 for Full Time Residents and for our Seasonal Residents as soon as they return in the fall.

While we are aware of the current uncertainties taking place right now, we are here to work with you to get through this transition as easily as possible. Residents MUST sign up at the Office to get on the list to have the skirting installed, as long as you are ON the list, you will not be penalized if our maintenance workers do not complete the job by May 31<sup>st</sup>. You will pay for the materials and our maintenance workers will install at no cost. Prices will vary depending on the size of the unit and if you have an attached sunroom, or other factors. **Please contact Jim Geers, head of maintenance, to get a quote for YOUR unit. 352-418-9001.**

## THANK YOU FOR DONATING

I would like to thank everyone that donated to my "Birthday Buckets" of food for the Sumter County Food Bank in Bushnell. Your generosity is appreciated, and you will be helping several families in our local communities during this desperate time. At the time of this newsletter, we had reached 179 pounds of food out of the 200 pounds goal, I am sure we will get there this last week of the month. *-Lori Hoag-*

**BE SMART,  
BE READY,  
BE SAFE**

In preparation for Hurricane Season, please remember to secure ALL outdoor items so they will not cause damage. Before you leave for the season, REMOVE all furniture, ornaments, or other possible projectiles from around your home and lot. If you have storm shutters, make sure they are secured in the down position. Any damage caused to your home, or any other home because of your negligence, you will be responsible for the repairs.

**TORNADOS:** Seek shelter inside the public restrooms or Hall. They are not tornado approved however Emergency Management has said they are safer than staying in your RV.  
**HURRICANES:** If necessary, you will be evacuated to an area Emergency Evacuation Center in Webster. Either the Sumter County Fair Grounds, or Webster Elementary School. Full instructions will be given if, and when it is necessary for you to evacuate.

More now than ever, the local mission needs donations for the homeless and needy. If you can donate food items, clothing, housewares, furniture, or any other items that are "Gently Used", please contact Elva (MH35) or call 260-246-0678. Thank you.
