

Sunshine

Village

Where has the time gone? It

seems as though some of you just arrived and now are preparing for your journeys back home for the spring and summer months.

We have enjoyed having you make your "winter home" here at Sunshine Village Resort. Your patience through our transitioning period has been greatly appreciated and we are looking forward to a smooth next season.

Thank you to all our residents and guests that made this season a success despite the difficult issues going on in the world today.
