**Storm Season:** Along with the beauty of spring comes the storm season. PLEASE be sure to have all outdoor items secured so they do not become projectiles during high winds and severe storms.

Protect your awnings by retracting them if you are going to be away from your RV.

This time of year, it is not unusual to receive large amounts of rain that can cause mild flooding. Be certain not to have items stored under your RV that may be damaged by heavy rain and pooling water.

### **Special Thanks**

to Sandra & Birge  
for heading up the  
SUNSHINE SENIOR OLYMPICS. This  
was a GREAT event enjoyed by all.  
Thank you to all that assisted with  
the Olympics, as well as the several  
athletes that participated. Next  
year's event will be even better!

### **Sunshine Celebration Party**

I would like to Thank  
Cheryl Schafer and all the volunteers  
that stepped up making this year's  
Sunshine Celebration Party a HUGE  
success. While I could not be here  
this time, I certainly enjoyed the  
videos and pictures some of you  
shared with me.

I was both stunned and honored by  
the "Royal" Portraits presented to  
Cheryl and I by all of you. Each of  
you are what makes our "jobs" so  
much fun and rewarding. Next year  
I WILL be here to present awards to  
our most "noted" guests.

Finally, to Rob Smith, on behalf of  
our entire community, thank you for  
providing such a wonderful meal to  
all. Your generosity is appreciated.
