

SEPTEMBER  
2021

*Greetings Everyone:*

Well let me tell y'all, it is HOTTER than HOT here in Central Florida. We have been averaging daily highs in the mid-upper 90's with Heat Index Feel Likes of 110 + for over two weeks now. You can almost hear the grass growing overnight! Our workampers are doing a fine job keeping up with it. We want to thank them all for being out in this heat every day doing their jobs. It won't be long now before some of you start heading back to your "home away from home" with us here at Sunshine Village Resort. We are excited for the upcoming season and have some great things planned for you.

**Bus Tours:** I have been working with a private bus company, Tours 4 You, over the summer and have come up with **TWO REALLY EXCITING & AFFORDABLE TRIPS.** Full details and itineraries are attached. We want to get an idea of how many of you may be interested in taking these bus tours. The first trip is **St. Augustine Nights of Lights December 15, 16 & 17<sup>th</sup>, 2021.** Cost is \$239 per person, double occupancy.

The second trip is **Key West and The Florida Keys February 27, 28 & March 1, 2022.** Cost is \$249 per person, double occupancy.

These prices INCLUDE round trip travel from Sunshine Village Resort, Hotel Accommodations for 2 Nights for each trip and other things. There are NO DEPOSITS required, but trips must be paid in FULL 30 days prior to departure.

**Please contact Lori Hoag, Activities Director, either by email at [hoagsfarm@aol.com](mailto:hoagsfarm@aol.com) or phone (607) 621-8988 if you think you may be interested in one, or both trips.**

We just need to get an idea so we can plan how many buses will be necessary.

We understand the uncertainty of travel and Covid-19, Tours 4 You will be working closely with the Hotels and CDC as time for the trips gets closer.

If you are a single traveler, we will be able to "pair" you up so you will get the same rates. Residents and Guests of Sunshine Village Resort will have PRIORITY to reserve these trips. **We do need a minimum of 36 people per trip** and will need to invite other resort's guests if we do not get the minimum quotas here. Buses hold up to 54 passengers.

# COMMUNITY NEWSLETTER
