Rules: All decorations must be within your own lot/site. You may only use your own electric power source. Please do not shine any lights into other homes or RVs. You will be disqualified if you are found to be using any electric that isn't yours.

"Elva's" Angel Tree In Memory of Elva Shadle

This year marks the 7th year of the "Angel Tree" program started by our resident Elva Shadle, through her love and concern for the children of poverty and homelessness in our area. Sadly, Elva left her earthly life and gained her own "Wings" on September 17, 2021.

Our residents knew that this program, as well as the Food Bank program MUST continue. Vicky Eberly stepped forward and volunteered to keep the programs alive. Vicky, along with her numerous volunteers have done a great job. The generous residents of Webster Travel Resort and Sumter County's 4-H Club in Bushnell have become great partners in the "Angel" Program. The many volunteers and generosity of Sunshine Village and other community residents have made this year's program VERY successful.

ALL the "Angels" have been adopted allowing each child to receive at least one new toy for Christmas.

Toys & Food items are due 9:00 am

Dec. 13th, this is when the Wrapping Party starts. Everyone is welcome to join us at Sunrise Hall to get the toys ready to be distributed. (Please, bring scissors). Lunch will be provided.

On Saturday, December 18th the toys & food boxes will be given out to the families in need. Hotdogs, chips and candy canes will be provided to the children and their families. **Contact Vickie Eberly, 330-556-8821** if you have any questions. Donations of Toys and food may be left at the Hall, or at Vickie's home (MH 36).

We are collecting Food items too. These families Need your help

Brian Chamberlin, the guy that most people didn't know his last name. The guy that greeted most of our guests on their way in, or out, the guy that was always willing to lend a hand to whom ever needed help, the guy that could make you laugh (or make you mad), the guy that spoiled dogs with McNuggets, the guy that swabbed the hall floor, the guy that just always seemed to be there when you needed him. That guy was my friend, and a friend to most everyone he met. That guy that fought so hard against many obstacles and health issues, that guy was a Veteran, that guy will NEVER be forgotten.
