

WHAT'S COMING UP?

2022-2023 Season **ACTIVITIES** at Sunshine Village Resort We are Gearing Up for Another GREAT Year!!

There are a few things we'd like you to know about our planned Activities before you head to Sunshine Village Resort for the 2022-2023 Winter/Spring Season.

BRING YOUR OLD JEWELRY (or go thrifting to get some old jewelry). We will be doing JEWELRY ART this season. This time you will be designing a shadowbox design using your jewelry. The more pieces you bring, the better your design will be. These shadow boxes make GREAT gifts to give your family, friends, or keepsakes for yourself.

Returning: Ladies Tea Party!!

The Ladies Tea Party was last held prior to Covid-19, it is time to bring it back! We need Volunteers to make up a

committee to plan and "host" the event, and ONE or TWO Chairperson(s) to schedule planning meetings and work with the volunteers to present a WONDERFUL Party!!

If you are interested in Chairing this Event, or willing to be a committee member, PLEASE contact Lori Hoag, Activities Director at Hoagsfarm@aol.com or (607) 621-8988, beginning in October so you will have LOTS of time to plan and prepare for the Tea Party, traditionally held in February or March.

Please remember our Pet & Wildlife Policy: All pets must always be kept on a short (6' max) leash except when inside the fenced-in pet park area and must be cleaned up after immediately even in the fenced-in pet park area. They must be supervised at all times. DO NOT feed the wildlife! You may feed the turtles and fish inside the pond/lake, but only turtle or fish food. Bread and other "people" food puts harmful bacteria in the water that kills wildlife and is prohibited. These policies will be strictly enforced as we care for our pets and wildlife.

Flag Policy: In a respectful manner, National and Military flags or seasonal/holiday (at appropriate times) may be displayed. Flags may be no larger than 4½' x 6' and may be cloth or plastic; no more than 2 flags per site. Transient RVers may display name flags.
