

February 2023

We put the "FUN" in Fundraising!

Annual Chinese Quarter Auction Fundraiser

Saturday, Feb. 11th @ 1:00 at Sunset Park Pavilion

How it works: Each household donates **1-NEW ITEM** valued at a **minimum of \$10**. On the day of the auction, you will receive your "Bidding Paddles" (2-per household). Our tabulators will register your paddle numbers with your name on the bidding sheets.

Before the auction starts, a "Mystery Price Tag" is attached to the bottom of each item up for bid. **(NO ONE knows the price tag amount)** it will range between **25 Cents and \$60**. The bidding will **start at 25 Cents** with each new item and **increase in increments of 25 Cents each bid**. **(You will never pay more than 25 Cents each time you bid)**

When the bidding on an item is closed the "Mystery Price Tag" will be revealed. **The Paddle Number that bid at the "Mystery Price Tag" price WINS the item**, NOT necessarily the highest bidder. Each bid is recorded by our tabulators to ensure each 25-cent bid is properly documented. We will give a FULL Demonstration at the beginning of the auction to be sure everyone understands how it works. This is our BIGGEST fundraiser of the year for our Activities Department, and it is **FULL of FUN & LAUGHTER. (Bring LOTS of Quarters)**. Some ideas: Items put together in gift baskets, food items, beverage items, gift cards, cash in envelopes, lottery tickets, RV items, Pet items, just to mention a few.

Yes, we do have "winter" in Florida, but we have Cool and Sunny, no Wet and White. With this said, we want to remind you that if we are expecting a heavy freeze, you need to disconnect your water hoses and leave a facet "dripping".

Winter in Florida does NOT last long. February could still bring us some cold nighttime temperatures, but it's still better than the weather up north. You will want to wear a couple layers if you are going out for the day. It usually warms up by late morning into the afternoon. Keep warm, have fun, and stay safe.

Reminders & Announcements:
Bookings for the 2023-2024 season are now open to current residents. If you want to secure your site for next season (minimum of 6 months required), you must come to the office and reserve it **before March 31**. On April 1st we will open all non-booked sites to the public.
