**FAITH, FAMILY, FRIENDSHIP,
OUR FUTURE, and OUR FLAG**

So here we are, at the end of the 2024-2025 Season already. Thank you to all the residents and guests that helped make this year another successful one. For our seasonal friends heading out on the highways for summer adventures, please stay safe, and may we all be blessed with a happy and healthy summer.

We will be waiting for all of you to return this fall.

Your Sunshine Village TEAM

Important Reminders: ALL homes and RV's **MUST** be power washed before you leave, if they are not clean, we will hire someone to do the work, and your account will be billed for the services. If you are a year-round resident, it is time to look over your home and have it cleaned if it is time. If you cannot do the work yourself, there are a few residents here that do that work, and would appreciate your business.

Trash: Daily trash pickup is done at **10:00am every day (excluding holidays)**. You **MUST** have your **bagged** household trash and **flattened** **cardboard** curbside no later than 10:00am. You are **NOT** permitted to set **ANYTHING** out the night before, or after 10:00am.

During our nightly safety checks throughout the resort, we are finding several sites with cardboard and trash set out at night. Our TEAM has been asked to notify the office of any violations of this rule. We take pride in our appearance, and we do not want any wildlife critters to dine during the night. If you have large household items to dispose of, you MUST check with maintenance, and they will give you a price for the removal of your items.

Furniture, carpets, construction debris, electronics, or any other large items may NOT be set curbside unless pre-arranged by maintenance.

Office: 352-793-8626

Maintenance: 352-481-9001 or 716-679-8228

**MAY
2025**

Storm Season is upon us. Florida weather is unpredictable, dangerous, and sometimes hits without warning.

Be Storm Ready: Most importantly, **make sure you download the Campersapp onto your smartphone or tablet.**

This is the system we use to keep our residents informed of important updates, warnings, watches, and changes in schedules, emergency repairs, and other possible life-threatening announcements.

You **MUST** have **everything outside** ready to move indoors or properly secured so it cannot become a projectile during severe thunderstorms, high winds, tornados, or hurricanes. Any damage caused to your neighbors or Sunshine Village Resort property by your items not being secured will be your financial responsibility.

We strongly encourage you to retract your RV awnings before leaving for any length of time. Storms hit quickly and may punch high winds, hail, and torrential rain fall. There have been several awnings damaged here in the past; don't let it be yours.

Although our buildings are not tornado or hurricane rated, the Sumter County Emergency Management and Fire Departments have deemed them MUCH safer than being in an RV during strong storms. Our safety team will drive through all the RV areas with lights on, flashers on, blowing the horn 4 quick beeps, then a few seconds of quiet, repeating this sequence as a warning to you to move to a better shelter. Either comfort station shower stalls, or Sunrise Hall are safer areas. Pets must be leashed or crated to go to a safe area with you.

Finally, be sure to have an emergency backpack ready. It should have 3-days medications, all important documents, Identification, ready to eat canned foods and snacks (can opener), cell phone chargers and some cash.

We LOVE Fur Babies!

If you would like to have your pets included on our website's Pet Page, please submit a photo along with their name, your name, and a brief biography of your beloved fur baby. Office@sunshinevillageflorida.com

Just a few pet reminders: All pets **MUST** always be leashed and under your control when you take them for a walk. Leashes may not be extended more than **6 FEET** in length while on any of our streets. For the safety of your pet and our residents and their pets, you must have your pet leashed while riding in your golf cart as well. We don't want anything bad to happen to our community's pets.

Please do NOT walk or allow your pet to walk on or cut through ANY site that is not yours, at any time.

**MOST
IMPORTANTLY,
YOU MUST
IMMEDIATELY
CLEAN UP ALL the
POO!**

Bag stations are located throughout the resort and in the dog park for your convenience.

Thank you to all our volunteers that stepped up and helped with several different tasks. We had snack bar volunteers, table & chair moving volunteers, craft & painting volunteers, outdoor grilling volunteers, worship and song volunteers, event hosting volunteers, exercise and swim volunteers, neighbor check volunteers, and many others. You are all an important part of how things get done. If you hosted an event, supported our fundraising or quietly helped behind the scenes, we want to say Thank you, and you ARE Appreciated.

*Lori Hoag, Activities Director
Cheryl Schafer, Assistant Director*

Cheryl**

"Umbrella in the Street"

Saturday, May 17th @ 12:30

\$15 Covers ALL Materials (Sign-up)

Feel free to bring your favorite beverage and a snack

Miscellaneous Happenings:

During the month of May, we will be doing a full inventory at Sunrise Hall (2-days) and at times certain areas may not be accessible.

There will also be one day that we will be shampooing all the chairs, the hall will not be accessible during this time (watch the campersapp for dates).

Over the next few months, we will be sorting and packing to move to the new Events Center.
