Potted Flowers and Plants are beautiful,

Beginning December 1, 2025, each residence may have up to a **total** of **10 pots** on each site. If you already have a flower bed next to your home, you may transplant your potted items into your existing bed. If you don't have an existing bed and wish to plant, please get a site change request from the office. Once approved, you may dig to plant them.
